

## Why Should You Donate?

At the Lebanon Valley Family YMCA, we strive to make sure that every child's day brings about bigger and brighter achievements — but we can't do it alone!

Your support ensures that many children who otherwise would not be able to afford YMCA programs and services are included. You'll not only give a nearby child the chance to belong today, but you'll help that individual learn important values that will positively impact their life and your community, tomorrow.

### Your Donation of:

**\$100** provides 5 children with skill development, sportsmanship & team-building in our youth sports programs

## Our Mission

The mission of the Lebanon Valley YMCA is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

It is the policy of the Lebanon Valley Family YMCA that no person be denied membership or program participation because they are unable to pay fees. Financial assistance to support such memberships and program participation is provided based on one's ability to pay. And this assistance is only made possible through contributions from the United Way and by your generous donations to the YMCA's annual Campaign for Kids.

# Campaign for Kids: *How you can make a difference.*

At the Lebanon Valley Family YMCA one of our most important goals has always been to enrich the lives of kids in our community.

That's because giving kids a safe and nurturing place to go benefits everyone. By introducing them to experiences that will help them grow into responsible, successful adults we make the community a better place to live.

YMCA programs teach young people important values such as caring, honesty, respect and responsibility. Through a variety of fun and rewarding activities, they also developed valuable skills while they gain confidence and self-esteem. You simply can't put a price on strengthening and enriching the character of a child.

Program fees at the Lebanon Valley Family YMCA do not cover the costs to support these vital community programs. Through the YMCA's **Campaign for Kids**, contributions help us provide financial assistance to children and families who need

it in our community. By working together we can give more kids the opportunity to grow strong in spirit, mind and body.

Donations from last year's Campaign for Kids helped over 800 families experience the positive effects of YMCA programs and activities.

**This year's Campaign for Kids is launched with an ambitious goal of raising \$100,000. We ask that you please give generously so that more kids and more families in our community can share the YMCA experience.**
